BOX PATENT APPLICATION

Sir:

PETITION UNDER 37 C.F.R. § 1.47

Applicants hereby requests that the oath and declaration for the above application, filed herewith, be accepted without the signature of co-inventor Gregorio (nmi) Colon. Mr. Colon either refuses to join in the application or cannot be found after a diligent effort.

In particular, a copy of the application, oath and declaration, and assignment for the above application were sent on May 2, 2000 to Mr. Colon's last known address at 205 Jennifer Lane, Arlington, Texas, 76006. A copy of the Federal Express receipt is enclosed as Exhibit 1 of this petition. At least five (5) attempts were made to contact Mr. Colon at his residence telephone number, (817) 472-9782, and at a work telephone number, (214) 765-3708. He has not returned any calls to his home telephone number. I was informed by the employer at his work telephone number that he was no longer employed, and that they would not release any additional information as a matter of

company policy. Based upon these facts, it is concluded that Mr. Colon is either unavailable, or is refusing to sign the oath and declaration.

A check for the fee set forth in § 1.17(i) in the amount of \$130.00 is included herewith. The Commissioner of Patents and Trademarks is hereby authorized to charge any fee deficiency or to credit any fee overpayment relating to this matter to Deposit Account No. 01-0657. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

Date: 7/7/00
